

Innov8rs Connect Unconference 2021

innov8rs

10 MAY - 2 JULY

8 WEEKS

100+ SESSIONS

600+ INNOVATORS

Tons of questions. Time to get answers.

From the big strategic questions to day-to-day tactics. From doing your actual innovation work, to managing stakeholders and engaging leadership.

Your list of to-do's might feel endless. What if you can get some help in tackling that list, from others who have 'been there, done that'?

That's what this Unconference offers. It's a collaborative learning program where you work on whatever is most important to you, guided by experts and supported by peers.

You can choose to join 70+ interactive sessions covering the best and latest on everything corporate innovation A-Z. Beyond those sessions, you can easily tap into the expertise and experience of other participants through weekly Community Club calls, by hosting a Challenge Call, and by asking questions on the community platform.

If you have innovation in your title, you can't miss this.

Join the program to

- ✓ Get actionable answers to your toughest questions
- ✓ Have focused conversations to tackle shared challenges
- ✓ Gain clarity about what to do and how to succeed

Last chance to join this “Mini-MBA on innovation management” including 100+ live sessions, access to recordings and social learning platform, and a personalized agenda to make sure you tackle whatever tops your to-do list.

Not your typical event. You'll learn and do stuff.

Forget pointless powerpoints. Work in interactive small group sessions to focus on whatever is most important to you.

Whatever your challenges are, and regardless of industry and innovation maturity, you'll leave with new, practical insights and an upgraded toolbox, to implement right away.

Throughout the program, you'll have ample opportunity to:

- Have the conversations you want to have
- Ask your burning questions
- Get unbiased feedback on your approach
- Share your experiences
- Foster new relationships

We know time is your most precious resource. That's why your experience is personalized to tackle whatever is on your to-do list.

You will have your personal concierge to suggest what sessions you should join, what people you should connect with and what content to check out.

All sessions and conversations will be captured and summarized in **The Innovator's Handbook 2022**.

And... a digital copy of this "bible for corporate innovation" is INCLUDED in your Unconference Pass.

Trusted by brands. Loved by peers.

“This is my tribe of lifelong learners and do-ers. Innov8rs is unlike any conference. It’s the only place where corporate innovators and intrapreneurs get vulnerable and real about the challenges facing disruptors today and work together on creating breakthrough opportunities.”

“I am blown away with learnings, reflections and new insights. Such an amazing crowd with a true sharing mentality. I have gathered so many cases for best practice on how to run innovation, how to measure it, how to fuel intrapreneurship etc. Further, most people I have met are really down to earth, pragmatic and no-bulshit kind of people that are creating real impact in the companies they work for.”

“I’m amazed by the format, how open, honest and authentic it was. What a great event! You rarely ever get that with these types of events - well done!”

“The ability to connect with such a high quality speakers, ask questions, and get great insights is just invaluable! For me, the Innov8rs Unconference is one of the few intrapreneurship conferences that is worth paying for.”

“The Unconference was great – it was a perfect mixture of networking and practical learning with a group of high-caliber, highly involved and dedicated participants. It’s a rarity to attend an event like this!”

You’ll be in great company.
